FOREWORD

Annual volumes of the Statistics of Queensland consist of separate Parts, each dealing with a section of statistics, together with an introductory part which includes a list of contents and an alphabetical index for the whole volume. These volumes were completed up to 1939-40 when World War II intervened.

Some of the Parts were published for the years from 1940-41 to 1952-53, but it is not possible to produce some which remained unprinted because of the war. Such issues of the eight annual Parts as are available will form separate volumes each of which will contain all the issues of a particular Part available for the years 1940-41 to 1952-53.

This volume contains all issues of Part D for the years 1940-41 to 1952-53. All issues from 1940-41 to 1952-53 make up a volume for each of the Parts B, E, F, and G. Issues of Part A make up two volumes (viz. 1940-41 to 1946-47 and 1947-48 to 1952-53). There will be no volumes for Parts C and H for these years.

From 1953-54 annual volumes consist of eight Parts (A, Bi, Bii, C, D, E, F, and G). Part H has been discontinued.

Government Statistician's Office,

Table No. 13.

TAXATION STATISTICS, 1939-40 INCOME YEAR.

NOTE.—All employees in receipt of incomes over £150 per annum, and all property owners and persons engaged in business whatever their income, are required by Law to make a State income tax return. The following table therefore gives a fairly complete survey of all personal and company incomes for the year 1939-40, with the exception of women and juveniles (about 100,000 in number) and a substantial number of men (farm hands and casual workers) who earn less than £150 per annum.

The figures relate to all incomes *derived from sources in Queensland* rather than the incomes of Queensland residents.
